

Once a filed motion to set scheduling conference/a form 85 is received, the minute clerk will send the mover an email with a link for available dates to circulate to all counsel to choose an agreeable date.

Select from the available dates highlighted bold to see available times

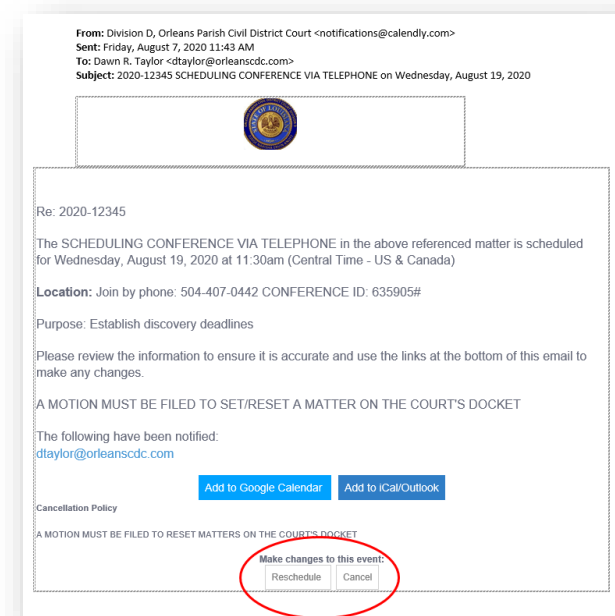

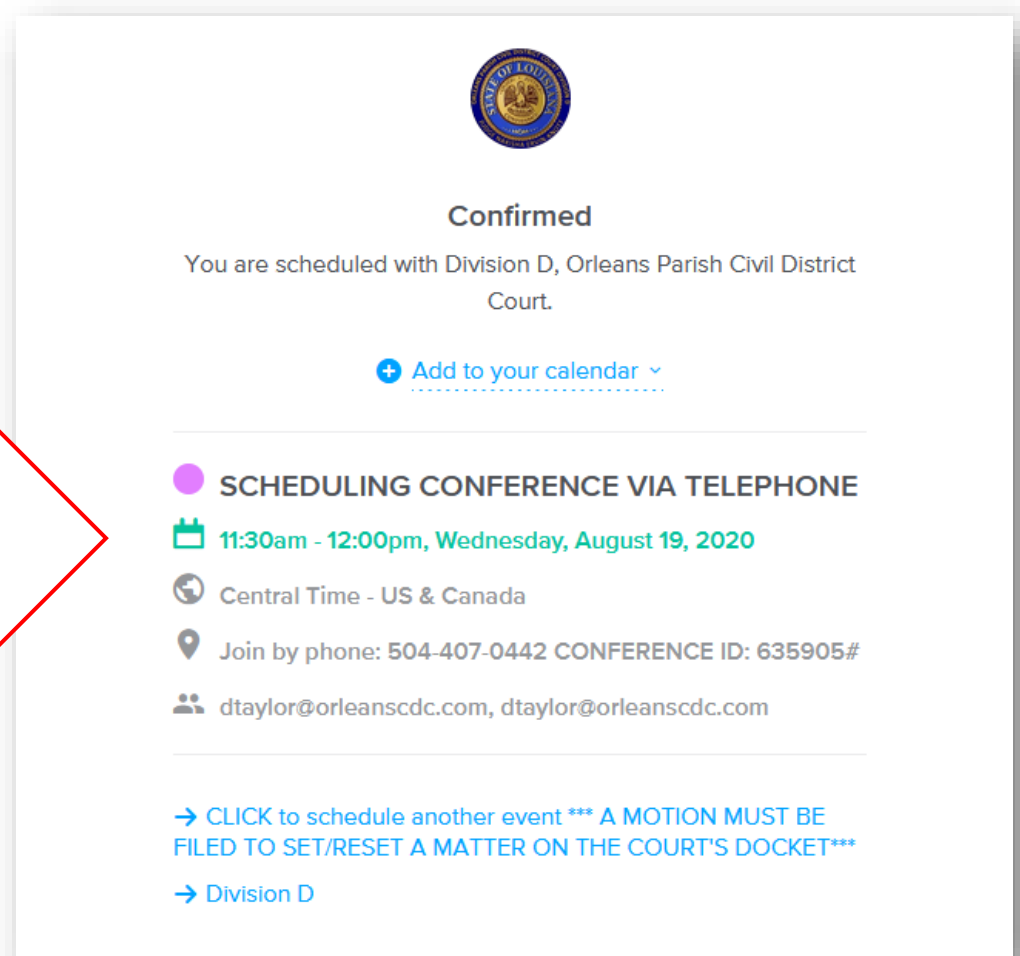

Select one date and time per case number after circulating available dates to all parties.

When entering details remember to enter the moving attorney's information and click "add guests" to enter the email addresses for all parties. A notification email with call-in information will be sent to all email addresses entered. You can include support staff.

Read carefully then enter/select all that apply. If the information received is invalid the date will be canceled, a cancellation email will be sent and you will need to go through the selection process again.

The confirmation page will include the time, date call-in information and the email addresses entered to receive notification. Review this information to make sure it is correct. Use the links provided to select another date for a different matter or to go to the division D webpage to see general information including policies and procedures.

Please review the notification email you receive to make sure the information is correct and use the links at the bottom of the email to make any changes.
